

INTERNATIONAL FURNITURE CENTRE

An Inspiring Year-Round Furniture Platform

Established in December 2007, the International Furniture Centre (IFC) is Singapore's first permanent showcase for the latest furniture collections from top local and international brands.

Located at the Sungei Kadut Industrial Estate, the IFC sits at the heart of Singapore's largest concentration of furniture factories and offices. Plans are underway to develop the area into an International Furniture Park – a dedicated business, innovation and design district that will serve the world market.

The five-storey IFC houses more than 100,000 square feet of the best design ideas and production capabilities from 31 renowned furniture companies, with a wide selection of quality, well-designed furniture in a myriad of different styles at highly competitive prices. A perfect complement to the annual International Furniture Fair Singapore/ ASEAN Furniture Show (IFFS/AFS) – Asia's premier furniture trade fair and sourcing platform, IFC offers international buyers the convenience of doing business all year round.

In 2010, IFC will continue to work with the organisers of IFFS/AFS to better serve trade players from all over the world. Simply log on to www.ifcsingapore.com to register your details and you will receive the following perks*:

- Complimentary two-nights accommodation with breakfast
- Exclusive VIP Buyer entry pass to IFFS/AFS 2010
