(Singapore Expo / Singapore / 09 – 12 March 2009)

Another Far East fair our publishing group participated in was in Singapore. Two important activities were realized at the same time in the centre of Singapore which is a city where the most important commercial companies of the sector take part in terms of cognitive, financial and design worlds. International Singapore Furniture Fair organized by SFIC and 26th Asian Furniture Fair were both held in Singapore expo Fair centre between March 9th- 12th. 381 participants from 38 different countries presented their designs to 15.606 visitors from 118 countries and many international events were organized during the fair.

The most interesting guest of the fair was the worldwide famous designer karim Rashid made an important presentation and several similar panels were held. Nesip Uzun, the chairman of our group was there representing our country.. He also participated in the meetings realized by Singaporean designers and businessmen under the heading of International Furniture association IAFP and Singapore Mosaic.
