

DEMONSTRATION & WORKING EXHIBITS

FORM 12

Deadline: 31 December 2016

Please tick the appropriate box to indicate the show(s) you are participating:

IFFS / AFS 2017 Nook Asia 2017

Please read the following carefully before completing the form.

- An Exhibitor intending to operate machinery/equipment or carry out mechanical demonstrations in his booth must provide full details of the demonstration/working exhibits overleaf and attach photographs/technical brochures describing the working exhibits.
- Please pay special attention to safety regulations:
 1. Secure and safeguard all operating machinery to avoid injury to visitors.
 2. Cause no annoyance to visitors or other exhibitors.
 3. Make sure that no gas and arc welding is carried out in the exhibition hall.
 4. The use of naked flame is not permitted in the exhibition hall.
 5. Isolate starting devices to prevent operation by unauthorised persons.
 6. Take all precautionary measures to avoid causing injury to visitors and exhibitors.
- The Organiser reserves the right to stop any product demonstration and/or remove the equipment that is considered unsafe.
