On behalf of ASEAN Furniture Industries Council (AFIC), we would like to extend our congratulations to International Furniture Fair Singapore 2019!

A must-visit sourcing venue, IFFS provides a wide array of well-crafted furniture and furnishings that cannot be missed.

I believe that IFFS will continue to be a major contributor in the promotion of ASEAN furniture and furnishings industry all over the world. With its impressive track record, I am sure that the IFFS 2019 will surpass the professional standards and success of previous editions, and will continue to grow and remain as one of the most prestigious trade fairs in Asia.

We are also particularly excited with the debut of their world-class show at the Sands Expo and Convention Centre, which is located at the heart of Singapore's Central Business District.

To the team organising the IFFS 2019, cheers and congratulations for a job well done!

To the exhibitors, congratulations in coming up with your masterpieces and for being a part of this highly anticipated event.

To the visitors and buyers, be prepared to be amazed on what the ASEAN makers will unveil this year. Enjoy and I hope for a fruitful partnership with our top-notch exhibitors.

Again, congratulations!
